Join us Sunday, June 28, 2020
1 PM to 2 PM
THE CARROLL CENTER FOR THE BLIND • 770 CENTRE ST., NEWTON, MA 02458

The Walk for INDEPENDENCE is going virtual this year! With a virtual walk, you’ll be able to pick your own route, who you do it with, and what time you start; all in support of the Carroll Center for the Blind’s mission to empower individuals who are blind and visually impaired. Then, on Sunday, June 28th, join us for a live virtual Walk for INDEPENDENCE celebration featuring some special guests! Now more than ever, we need your support and together we can make a difference.

Register today as a virtual walker, create a team with your family, motivate your friends to get active, or join a team with colleagues or staff. Plan to walk, run or ride outside and do the 1 or 3 miles you had planned on doing in support of the Carroll Center. Take lots of photos and share while making sure to tag the Carroll Center!

Let’s all #WalkTogether so we can continue to help individuals of ALL ages and at ALL stages of vision loss achieve their own independence and learn the skills they need to succeed.

Visit www.carroll.org/walk to register, support and make an impact!
